STOP HARASSMENT NOW!

If you are like most debtors, one of the most annoying things you are subjected to is constant harassment from creditors and collection agents in the form of continuous phone calls and threatening letters. Many are extremely rude and will make threats they cannot back or will otherwise violate the law. By retaining Gary Cunha, P.C. as your attorney, you may stop the harassment! Under 15 U.S.C. § 1692c(2), collection agents must cease all contact with you immediately upon you notifying them that you are represented by an attorney with regard to their debt. Under the Texas Debt Collection Practices Act, which incorporates the Deceptive Trade Practices Act, penalties can be harsh for violators. Note: the creditors themselves are not prohibited from calling you, but some will voluntarily stop calling you once they know you have an attorney.

NOTE: DO NOT TELL A CREDITOR THAT YOU ARE REPRESENTED BY AN ATTORNEY IF THAT CREDITOR CAN IMMEDIATELY REPOSSESS YOUR PROPERTY (such as MOTOR VEHICLES/MOBILE HOMES).

Here's what you do for creditors other than those in the "note" above:

1. Tell the creditor/collector that you are represented by an attorney with regard to their debt.
2. Give them our name, address, and phone number:
Gary Cunha, P.C.
100 N. 6th #604
Waco, TX 76701
3. You do NOT have to provide them with ANY other information. You should not talk to them other than to give them my name, address, and phone number. Do not tell them that you are filing bankruptcy or any specific details regarding your case.
4. Unfortunately some will choose to break the law and continue to harass you. Document the calls and forward the information to our office. Tell these creditors that you are recording all incoming calls from them and again give them the information in #1 and #2.

254-752-4279

THIS OFFICE HAS RECOVERED THOUSANDS OF DOLLARS ON BEHALF OF OUR CLIENTS AGAINST CREDITORS WHO HAVE HARASSED OUR CLIENTS. KEEP TRACK OF ANY AND ALL CONTACTS THAT A CREDITOR, COLLECTION AGENT, OR ATTORNEY MAKES!!!

All Texans have the following rights IN ADDITION to your bankruptcy rights:

Your creditors cannot forcibly enter your home. Do not let a creditor into your home. Ask them to leave and call the police if they do not leave. They cannot repossess your car if you ask them not to while they are trying to take it (they are not allowed to "breach the peace"). They also cannot bring a police officer with them. They can only repossess an item located in a publicly accessible place by taking it when you are not around or by filing a lawsuit and having a Sheriff/Constable serve you with a court order! Homes can only be foreclosed on the first Tuesday of each month but they must give you notice and a right to cure first.

Instructions for completion of this information packet:

1. Tear off the top 4 pages and keep them, return the rest of the packet to your attorney.
2. Please use BLUE ink (if you forget to, do not go back over everything). Please take your time and PRINT LEGIBLY. Read all information on every page **carefully!**
3. Fill out **ALL** information. **Do not leave blanks** (except those noted “office use”). If a question does not apply write “N/A” in the blank *or* **cross it out**.
4. If you cannot obtain an exact amount owed for a particular debt, estimate as close as possible.
5. “Date of Debt” means the date which you opened the account or took out the loan. It does NOT mean the date of your last bill. If you do not know the exact month and year a debt was incurred, estimate as close as possible. There is no penalty for guessing!
6. On the margins of any page, please explain in detail anything out of the ordinary, such as if you do not own furniture because you live with someone.
7. For non-purchase money loans (loans with local loan companies that require your personal property for collateral) and payday loans, please bring a copy of the loan contract(s) for our use.
8. List ALL debts, including those you dispute and those you wish to pay yourself. List ALL property you own, regardless of value or if you wish to keep it or not.
9. For Creditor’s addresses, **use the “correspondence” address**, not the “payment” address. The correspondence address is usually located on the back of the bill under the section describing how to dispute a charge.
10. When figuring your monthly expenses, remember that you must come up with a budget that you can realistically live on. After you have come up with that budget, if necessary we will assist you in changing it to reflect what the trustee will allow.
11. Do not forget any creditors, collection agents, and attorneys collecting debts. You do not want to owe anyone any money upon the completion of your bankruptcy.

Please bring the following items with you when you return this paperwork:

1. A payment of \$_____
2. Your drivers license, social security card, and military ID
3. Automobile Insurance Policy or card showing proof of current coverage
4. Home Insurance Policy showing proof of current coverage
5. Tax Appraisal for your home(s), land, and business property
6. Copy of any leases, rent to own, etc.
7. certain pay stubs from all employers – see list
8. 3 months most recent bank statements for all accounts
9. most recent tax return, including all schedules & attachments
10. kbb.com or nada.com value (print it out) on *all* your automobiles
11. Copy of lawsuit(s) and divorce(s) where debt may still be owed
12. Any notices, bills, or letters from creditors, collection agents, or attorneys
13. Loan agreements from small loan companies
14. Any financial statement you have had prepared in the last two years
15. Proof of credit counseling

PAYSTUBS NEEDED

We need the following paystubs to accurately calculate your “means test.”

Month you are FILING your Bankruptcy case	We need your LAST paystub from these months	Last year December paystub needed?
January	PY June & PY December	Yes
February	PY July & January	Yes
March	PY August & February	Yes
April	PY September & March	Yes
May	PY October & April	Yes
June	PY November & May	Yes
July	PY December & June	Yes
August	January & July	No
September	February & August	No
October	March & September	No
November	April & October	No
December	May & November	No

PY = previous year

Note: The above table only works if you have worked the same job. If you have worked more than one job, we will need additional paystubs.

Note: The trustee may require copies of additional paystubs

Potential Problems in Some Cases

1. Bank Accounts

I understand if I have money in a bank account or credit union *and* I owe that same bank or credit union money, they may seize all money in my account, therefore I will reduce my bank account balances to as low as I can and keep them that low during my bankruptcy case.

If I fall into the situation above, I understand my attorney recommends that I open a new account with a different bank rather than continuing to bank with the old bank.

2. Cash & Bank Accounts

I understand that cash, bank accounts, tax refunds, and their equivalent are not exempt under Texas exemption law and therefore I will have to surrender them to the trustee in a Chapter 7 or pay my creditors for them in a Chapter 13 unless I qualify for federal exemptions and can exempt the money under federal exemptions.

3. Checks

I understand that if I have checks written on my checking account, until the checks have cleared the bank, the money is still in my account and thus falls into the problems listed in #1 and #2 above.

4. Bounced Checks

I also understand that if I bounce a check, in addition to being a crime, it can be considered incurring debt without permission and could cause my Chapter 13 bankruptcy case to be dismissed.

Do I Need a Credit Report?

Many clients ask if they need to get copies of their credit report or if we can get them. Our firm cannot access your credit report. Most clients are able to complete the paperwork without their credit reports, however if you think there are possibly items on your credit report, you may want to obtain copies of all three credit reports to review them and make sure you list all possible creditors.

There are three credit bureaus, so for the most accurate information, you should obtain a copy of all three reports. You are entitled to a free copy if you have been denied credit, employment, or had other negative action taken against you in the last 60 days. Otherwise they charge a fee, generally about \$8.00.

Obtaining credit reports by mail can take several days or weeks. If you are in risk of suffering repossession or foreclosure, you should file your case quickly and you can always add creditors later.

If you need to obtain credit reports, the three bureaus can be reached at the following toll free numbers:

Experian 888-397-3742
TransUnion 800-888-4213
Equifax 800-685-1111

You are also entitled to a free credit report one time per year. Visit www.annualcreditreport.com to get your copy. Please note: this is the official site, other sites promising a free report may actually charge you money for services you do not need.

Urgent Filing Needed?

Are you in immediate danger of suffering repossession or foreclosure? If so, we can file an emergency petition to protect you. To file an emergency petition, we need the entire up front attorney fees and court costs plus your name, address, social security number, and the name and address of any creditor who is threatening you. We can set an emergency filing appointment to sign and file your emergency petition. At that point you would have 14 days to complete the paperwork and file the rest with the court. We charge an additional \$50.00 to file an emergency petition if you need it and would need you to return the completed paperwork to our office no later than 10 days after filing the emergency petition (so we have time to complete the court documents).

Credit Counseling

Remember you **MUST** take an approved credit counseling class during the 6 months *prior* to you filing. Visit our website www.752gary.com and click on bankruptcy, then credit counseling for a list of approved classes. You must also take another class *after* you file. In Chapter 13, the trustee will provide the class for you (you can still take the class on your own if you prefer). In Chapter 7 you must find and take your own class and provide us proof within 30 days of your 341 meeting so we can file it with the court. We recommend www.debthelper.com (800-920-2262) to handle both your pre- and post-bankruptcy classes. Make sure you tell them our code: TX0155 Gary Cunha, P.C. so they can email me your certificates.

FAMILY LAW OBLIGATIONS

If you have any living former spouses/parent of your child where there are outstanding debts (whether you were ordered to pay the debts or not) you must provide their name and address. They may be considered your “creditors” for the purposes of divorce and bankruptcy law. Be advised that if you fail to notify your former spouses through this bankruptcy, if a creditor that you discharge goes after them to collect the debt, your former spouse could then sue you to recover. Therefore you must list all former spouses which you have joint debts which are not already paid off. Be advised that your former spouse will be notified by the Court if they are listed here. **List anyone you owe a domestic support obligation to (usually child support, alimony, spousal support), even if current on payment.**
